Welcome to UnitedHealthcare Dental

UnitedHealthcare wants to make sure you are happy with your dental plan. If you have any questions, please call UnitedHealthcare Member Services at **1-877-901-7321**, TDD/TTY: **7-1-1**.

Your list of main dentists and specialists

We have included a list of dentists in the Tarrant service area who are in our plan. The list includes this information:

- Name, address and phone number
- Other languages spoken, if any
- Handicap access to the office
- If the office is taking new patients

Meeting our quality standards

Your child will receive care from dentists who have been carefully screened before they could be part of our plan. All of our dentists go through a screening process before they are accepted into our plan. For each dentist, we check:

- Education, training and experience
- License and other paperwork
- The dentist's history

What is a main dentist?

A main dentist can be a general dentist or a dentist who only treats children. This is the dentist who gives your child services that prevent teeth problems. This dentist also can fix most teeth problems. Your child's main dentist also can send your child to a specialist for teeth problems that are harder to fix, if that kind of treatment is needed.

Providers listed in this directory are current as of the date listed on the cover.
Information is subject to change.

How can I select or change my child's main dentist?

You can select or change main dentists by calling us toll-free at **1-877-901-7321**, TDD/TTY: **7-1-1**. Or you can visit our website at **uhc.com/DentalTX** to select a main dentist.

MTP is a state administered program that provides Non-Emergency Medical Transportation (NEMT) services statewide for eligible Medicaid clients who have no other means of transportation to attend their covered healthcare appointments. MTP can help with rides to the doctor, dentist, hospital, drug store, and any other place you get Medicaid services.

For more information about services offered by MTP, clients, advocates and providers can call the toll free line at 1-877-633-8747. In order to be transferred to the appropriate transportation provider, clients are asked to have either their Medicaid ID number or ZIP code available at the time of the call.

El dentista principal de su hijo también puede referirle a su hijo a un especialista por problemas dentales que son más difíciles de arreglar, si se necesita ese tipo de tratamiento.
